Greetings New NEO Knight Families,

July 17, 2025

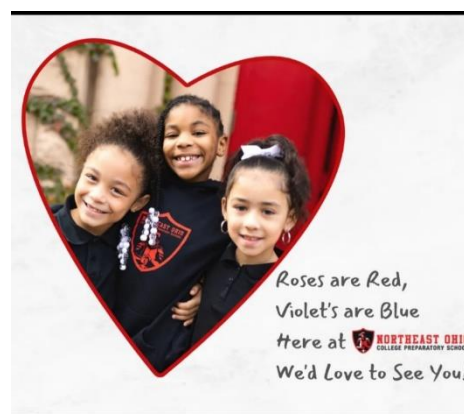

It is our pleasure to welcome you to Northeast Ohio College Preparatory School—**Home of the NEO Knights!** By making this choice for your student, you have already agreed that success and preparedness for the future are of utmost importance to you and your family. Since opening our doors in 2010, we have served the Tremont and downtown Cleveland neighborhoods with a safe & secure learning environment where students are expected and able to succeed.

As a learning community we set high expectations for academics and behavior and are rewarded with high ratings from the Ohio Department of Education and Workforce, high Third Grade literacy rates, 100% graduation rates for those students who matriculate through our school, while also receiving recognition from the State of Ohio as being a Quality Community School for two consecutive years. Additionally, for the 2023-24 school year we received The Outstanding Student Progress Award from ACCEL Schools, along with Outstanding Math Growth for the 2024-25 school year.

The NEO staff embraces students, families, and community to develop well-rounded individuals who are independent thinkers. The pillars of NEO Knight success are: **Knowledgeable, Noble actions, Integrity, Greatness, Honesty & Tolerance for all.**

We encourage all parents, caretakers & guardians to communicate regularly with teachers, to be involved in the learning and development of their scholar. Check our calendar, website & Facebook page for events and activities.

Sincerely,
NEO Administration

Our Mission: Is to prepare students at a college preparatory school that will ensure success and graduation from a two or four-year college or university.
